GUIDELINES

1. The competition is open to the students of all dept and all years
2. Each team shall consist of 3 students.
3. Each team can participate with one poster only.
4. The poster should be prepared on one of the given theme
5. The poster should preferably be of A1 size and in portrait orientation.
6. The poster should be original, informative, scientifically accurate and visually appealing.
7. Participants are encouraged to use flowcharts, diagrams, illustrations, graphs and infographics to communicate the topic effectively.
8. The final poster should reflect the participants' own work.
9. Plagiarism or substantial reproduction of another person's work will result in disqualification.
10. Each team will be given 5 minutes for poster presentation, followed by 2 minutes for questions and answers.
11. Participants must be present at the venue at least 30 minutes before their allotted presentation time.
12. The final decision of the judging panel will be final and binding.
13. Shortlisted candidates will present their posters physically on Tuesday, 8 September 2026.
